

## **PORTFOLIO — “Flamingo in Blossom”**

Author technique: digital painting (digital oil)

Author: Marquess Anatoly Winston Miles

Year: 2025

Format: vertical proportions

Seal: author's wax seal AW (bottom right corner)

### **1. Visual Description**

The composition depicts a decorative flamingo adorned with blossoms, rendered in a characteristic digital oil technique evocative of the 18th century. The color palette features vibrant pinks with accents of yellow and white, conveying a joyful and ornate

elegance.

## **2. Artistic Style and Influence**

The work reflects the decorative charm of the Rococo era, interpreted through a meditative and contemplative use of color. The lines are graceful and flowing, conveying the lightness characteristic of the Slow Art direction.

## **3. Authorship and Originality**

The artwork is part of the authorial project by Marquess Anatoly Winston Miles, executed in his signature digital oil style. The red wax seal AW confirms the authenticity and inclusion in the certified digital series.
