

Painting 1: "Inner Storm"

Style: Vincent van Gogh (Post-Impressionism)

Description: A solitary tree stands amid blurred fields; in the sky, the number 68 hides within a swirl of stars. A symbol of the soul's endurance in chaos.

Painting 2: "Shadow of Fate"

Style: Francisco Goya (Black Paintings)

Description: Distorted human forms, blood smeared across a wall. The number 68 appears as a mark of the inevitable.

Painting 3: "Anatomy of War"

Style: Otto Dix (Neue Sachlichkeit)

Description: Intertwined bodies sunk into the earth. A scar shaped as a 68 marks one of the corpses. The harsh realism of conflict.

Painting 4: "Scream of 68"

Style: Edvard Munch (Expressionism)

Description: A figure screams on a twisted bridge. Above, the sky is deformed into the shape of 68. The inner howl of an epoch.
